

SACVALLEY MEDSHARE

The Health Information Exchange
for California's North Central Valley
P.O. Box 9217
Chico, CA 95927-9217

Public Health Provider

By becoming a member of SacValley MedShare, you can provide more efficient patient care and monitor public health by:

- providing patients' ADT, CCD, Lab Results, Procedure Notes and Imaging Reports into the exchange.
- viewing other entities health information about your patients'.
- provides a means for improving quality and safety of patient care.
- improves public health reporting and monitoring.

Can eliminate redundant or unnecessary testing for patients.

The information is safe, the system is HIPAA compliant, and only those providers who need access to the information, can do so.

SVMS is a not-for-profit local health information exchange that is made possible by the contributions of member organizations. Please contact us to learn more about how your organization can join and benefit.
